

If This Is Goodbye

Mark Knopfler & Emmylou Harris

My famous last words
Are laying around in tatters Sounding absurd
Whatever I try
But I love you
And that's all that really matters You bright shining sun
Would light up the way before me
You were the one
Made me feel I could fly
And I love you
Whatever is waiting for me Who knows how long we've got
Or what were made out of
Who knows if there's a plan or not
There is our love
I know there is our love
My famous last words
Could never tell the story
Spinning unheard
In the dark of the sky
But I love you
And this is our glory
