

Ice (feat. Lil Wayne)

Kelly Rowland

You're like ice, I-C-E
Feels so nice scorchin' me
You're so hot, hot
Baby, your love is so hot, hot Pull up
She been purrin' like a kitten cravin' your love
I've been countin' on the days you been gone A little too long, patient
Knowin' exactly what it is
It lasts time And now when you come
And lay between it this time
Take the ice cube
(Boy, you know what?)
Sit it right below my navel
And watch what I do
And that's my favorite angle
My legs are numb now
Your lovin' be givin' me chills You're like ice, I-C-E
Feels so nice scorchin' me
You're so hot, hot
Baby, your love is so hot, hot You put the pillow
Underneath my back
Got me up against the window
We got no shame, we goin' in He hates it when I use my hands
He got me sayin' like
"Damn, my man knows what he's doin'"
The mirrors, the mirrors up on the ceilin'
Got things so visual, so visual
Babe, it ain't never felt so right, yeah
He comes again, my body goin' numb
Hot as ice, can't get enough You're like ice, I-C-E
Feels so nice scorchin' me
You're so hot, hot
Baby, your love is so hot, hot Uh, ice, ice, baby
Shake that ass just like dice, baby
You hot and I'm Tunechi
I beat the cat, animal cruelty I'm colder than your man
He should be your ex
Now throw that ass back
Like we playin' pitch and catch, right And all your hear is what's my name
It's yolo, sweet tooth roll tussy
If you are what you eat, I'm pussy
I'm skatin' on thin ice I put in hole
We do it 'til we both exhausted, twin pipes

Pillow under her stomach, the other pillow she bite
Would you like anythin', 'cause I'll do anythin' you like I make her freeze up
Pick her knees up
She want a maid
Watch me clean up I know where to put it, I put it in her life
I leave that pussy smokin'
Smokin' like ice You're like ice, I-C-E
Feels so nice scorchin' me
You're so hot, hot
Baby, your love is so hot, hot You're like ice, I-C-E
Feels so nice scorchin' me
You're so hot, hot
Baby, your love is so hot, hot
