

This Mortal Coil

Carcass

Tearing down the walls
Breaching frontiers
Unlocking the gates
To a new world disorder
A fresh balance of terror,
The equilibrium of hateArchaic nescience unleashed
Entrenched, a bitter legacy
Tempered in mental scars
All flesh entwined
In mortal equality
Tangled mortal coil!Twisted and warped!
Tangled mortal coil!
Tearing down the walls
Breaching frontiers
Unlocking the gates
To a new world disorder
A fresh balance of terror,
The equilibrium of hateTwisted and warped!
Tangled mortal coil!
