

I Still Miss Someone

[Martina McBride](#)

At my door the leaves are falling
A cold wild wind has come
Sweethearts walk by together
And I still miss someone I go out to a party
And look for a little fun
But I find a darkened corner
because I still miss someone Oh, no I never got over those blues eyes
I see them every where
I miss those arms that held me
When all the love was there
I wonder if he's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone.
