

Intro (feat. Lil Duval)

Trae tha Truth

so screw?
wussup...
tell me exactly what is it that you do?
actually what i do im a dj.
mixtape ...
i got my own lil' style.
i screw the music yaa know what im sayin.
i slow the music down with a pitch.
pitch control on the turn tables basically i jzt mix the records up.
change it yaa know what im sayin.
we do beats of the instrumentals of one record onto another working with the vocals just gives
it like a remix.
sorta my version yaa know what im sayin.
slow it down all together like a screw mix.
its your nigga big ass moe chillin with my patna name moe
in the turning lane swang down cause we on 4s mayne
fire up a fat sweet turning on the bulb lights hand on the wood grain ass on the tight white
