

# It's a Miracle

Roger Waters

Miraculous you call it babe  
You ain't seen nothing yet  
They've got Pepsi in the Andes  
They've got McDonalds in Tibet  
Yosemite's been turned into  
A golf course for the Japs  
And the Dead Sea is alive with rap  
Between the Tigris and Euphrates  
There's a leisure centre now  
They've got all kinds of sports  
They've got Bermuda shorts  
They had sex in Pennsylvania  
A Brazilian grew a tree  
And a doctor in Manhattan  
Saved a dying man for free  
It's a miracle  
It's a miracle  
It's a miracle

Another miracle  
By the grace of God Almighty  
And the pressures of marketplace  
The human race has civilized itself  
It's a miracle  
We've got a warehouse of butter  
We've got oceans of wine  
We've got famine when we need it  
We've got a designer crime  
We've got Mercedes  
We've got Porsche  
Ferrari and Rolls Royce  
Yeah  
We've got a choice  
She said meet me  
In the Garden of Gethsemane my dear  
The Lord said Peter I can see  
Your house from here  
An honest man  
Finally reaped what he had sown  
And a farmer in Ohio has just repaid a loan  
It's a miracle  
It's a miracle

Another miracle  
By the grace of God Almighty  
And pressures of marketplace  
The human race has civilized itself  
It's a miracle  
We cower in our shelters

With our hands over our ears  
Lloyd-Webber's awful stuff  
Runs for years and years and years  
An earthquake hits the theatre  
But the operetta lingers  
Then the piano lid comes down  
And breaks his fucking fingers  
It's a miracle
