

Moonglow

Jerry Vale

It must have been moonglow,
way up in the blue
It must have been moonglow
that led me straight to you I still hear you sayin',
"Dear one, hold me fast"
And I started on prayin',
"Oh Lord,
please let this last"
We seemed to float right
through the air
Heavenly songs
seemed to come
from everywhere
And now when
there's moonglow,
way up in the blue
I'll always remember,
that moonglow gave me you
And now when
there's moonglow,
way up in the blue
I'll always remember,
that moonglow gave me you that moonglow gave me you
