

# Live Like a Warrior

## Matisyahu

Feel like the world don't love you  
They only want to push you away  
Some days people don't see you  
You feel like you're in the way  
Today you feel, as if everyone hates  
Pointing their fingers, looking at your mistakes  
You do good, they want great  
No matter what you give they still want to take  
Give your love and they throw it back  
You give your heart they go on attack  
When there's nothing left for you  
Only thing that you can do, say  
Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire,  
Fight like a Warrior  
Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire,  
Live like a Warrior  
There some things you should let go, there only gonna pull you down,  
Just like weight on your shoulder they are only gonna make you drown,  
We all swing high, we all swing low,  
We all got secrets people don't know  
We all got dreams we can't let go  
We want to brave, don't be afraid  
Noo, Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire,  
Fight like a Warrior  
Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire,  
Live like a Warrior  
Your heart is too heavy from things you carry a long time,  
Been up you been down, tired and you don't know why,  
But you're never gonna go back, you only live one life  
Let go, let go, let goooo, Let go, let go,  
let goooo, Let go, let go, let goooo, say  
Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire  
Live like a Warrior  
Today, today, live like you wanna,  
Let yesterday burn and throw it in a fire, in a fire, in a fire,  
Live like a Warrior  
Let go,  
Live like a warrior
