

Natalie Don't

RAYE

It's been twenty four hours, coulda bought me flowers
You know I ain't been happy (Nuh-uh), maybe call me in an hour
Do you wish that it was her though singin' songs in the shower?
Baby, no, I can't help it (Nuh-uh), what you showed me about her While you steppin' to him I
can see

When you know he belongs to me
You know I'm missin' the sunrise behind his eyes
He is thinkin' of you Oh, no, there she goes

To take away my man
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't
Oh, no, there she goes

To take him from my hands
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't, don't
Don't, don't, don't, don't

Saw it, saw her walkin' like a model
But I won't let it impress me
So I bought another bottle
Oh, you better know I like that
Can't you see my sorrow?

When you bend over like that
You know his eyes gon' follow Oh, while you steppin' to him I can see
When you know he belongs to me

You know I'm missin' the sunrise behind his eyes

He is thinkin' of you
Oh, no, there she goes
To take away my man
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't
Oh, no, there she goes

To take him from my hands
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't, don't
Don't, don't, don't, don't I'm still awake at six in the morning

Oh, you know you callin', Natalie
Please feel bad, don't text back
Leave my man like Dali

Beg Jolene just 'cause you can don't take him please Oh, no, there she goes
To take away my man
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't
Oh, no, there she goes
To take him from my hands
I'm beggin' her not him
Don't, don't, don't do it, no, no
Don't do it, Natalie, don't, don't, don't
Don't, don't, don't, don't do it
Don't, don't, don't, don't do it, no, no
Don't, don't, don't, don't, don't, don't, don't do it
