

# Brand New Day

Joshua Radin

Some kind of magic  
Happens late at night  
When the moon smiles down at me  
And bathes me in its light I fell asleep beneath you  
In the tall blades of grass  
When I woke the world was new  
I never had to ask It's a brand new day  
The sun is shining  
It's a brand new day  
For the first time in such a long long time  
I know I'll be OK  
Most kind of stories  
Save the best part for last  
And most stories have a hero who finds  
You make your past your past  
Yeah you make your past your past It's a brand new day  
The sun is shining  
It's a brand new day  
For the first time in such a long long time  
I know I'll be OK This cycle never ends  
You gotta fall in order to mend  
It's a brand new day  
It's a brand new day  
For the first time in such a long long time  
I know I'll be OK
