Pull me nigga like a ...  
I'm tired to be a ...  
Yeah I am on my ball shits, they have to call me Rosie  
Sometime they call me Tosie, sometimes they call me Dosie  
So far that I am ...  
Way you're talking? That shit taste of...  
That beat it's steel flowing  
When they get that they hold it  
Back ...with this bitch ...  
Now my cool... God bless  
...stay rock shit  
Make money with y brain and the ...  
Don't approach me you sure ...  
You must be making ... you 'aint looking right  
You 'aint make a sence, you're after...  
Go home, let's drive you home, keep it moving by  
You're a normal man, rise and shine  
Put my heart beat as a shit  
Make a ...no more undefine  
Drop it low, shit that ass, smoking low  
I make this, let 'em know let him this...  
Better study hard, you're late to class  
These bitches ...and I'm a...  
Keep your boyfriend close ...  
I'm walking on sunshine  
Zipping waw, waw  
...now winning it's my time  
...like a boss... I'm like ...
