

Monsters (feat. blackbear)

All Time Low

[Alex Gaskarth:]

Why do all the monsters come out at night?

Why do we sleep when we want to hide?

Why do I run back to you, like I don't mind if you fuck up my life? Another day, 'nother
headache in this hangover hotel

Gettin' used to the rhythm, yeah, I know this beat too well

Tunnel visions got me feeling, you're the only one I see

But I know what's missing, where I'm swimmin'

In my lonely luxury I'm wondering why do all the monsters come out at night?

Why do we sleep when we want to hide?

Why do I run back to you, like I don't mind if you fuck up my life?

Why am I a sucker for all your lies?

Strung out like laundry on every line

Why do I come back to you, like I don't mind if you fuck up my life?

[blackbear:]

I'm addicted to the way you hurt, the way you contradict me

I swear everything look worse at night, I think I'm overthinking

I don't care who I might hurt along the way, I'm fuckin' sinking

Into every word, I don't care if you think I'm lyin' when I'm drinking

So, tell me pretty lies, look me in my face

Tell me that you love me, even if it's fake

You can lead me on and leave these questions in my sheets

I'm under it, I made my bed and I'm still wonderin' [Alex Gaskarth:]

I'm wondering why do all the monsters come out at night?

Why do we sleep when we want to hide?

Why do I run back to you, like I don't mind if you fuck up my life?

Why am I a sucker for all your lies?

Strung out like laundry on every line

Why do I come back to you, like I don't mind if you fuck up my life?

Thinkin' about you, you're in my head

Even without you, I still feel dead

Why do I run back to you, like I don't mind if you fuck up my life?

Dead, thinking about you, you're in my head

Even without you, I still feel dead

Why do I run back to you, like I don't mind if you fuck up my life? I'm wondering why do all
the monsters come out at night?

Why do we sleep when we want to hide? (Hide)

Why do I run back to you, like I don't mind if you fuck up my life?

Why am I a sucker for all your lies?

Strung out like laundry on every line

Why do I come back to you, like I don't mind if you fuck up my life? (Fuck up my life) Like I

don't mind if you fuck up my life
