

# Hoes Ain't Shit

## King Von

Hoes ain't sh...all these hoes ain't shit

Von

Boy I don't trust shit, hoes be to slick, don't trust that bitch

Better suck my dick...DJ on the beat so it's a banger

Von! Boy I don't trust shit, hoes be to slick, don't trust that bitch

Better suck my dick, bitch find out where I live had to move my crib

Name one hoe real, stop playin' lil boy better check her DM

Now you like "who is him", she call that nigga her brother but these hoes ain't shit

See I met her at school, she was 5 foot 2 lil bitch too cute

Used to follow all the rules, she was from outta town so her parents just moved

I'm like "bet that's cool", thinkin' she might be different cause this lil bitch knew

But she had me fooled, took that bitch to the block now she fuckin' on Duke

See these hoes be fu, she fuckin' on me and she fuckin' on you

They in love with the crew

For the money and fame it's a shame what they do

I had a bitch, had to change how I move

She was bipolar, kept changin' her mood

Callin' her brother, like what he gon' do

And if he pop out then I'm poppin' him too

Gotta play dumb when they think you a fool

She got 3 niggas, she thinkin' it's cute

I went to prison, they thinkin' I'm through

Got out, start rappin' and bitch I dun' blew

They call me Von, and bitch I'm the truth

They pay attention when I'm in the booth

I don't trust bitches, I'm checkin' her room

Caught her with the opps, that's [?] by noon

Boy I don't trust shit, hoes be to slick, don't trust that bitch

Better suck my dick, bitch find out where I live had to move my crib

Name one hoe real, stop playin' lil boy better check her DM

Now you like "who is him", she call that nigga her brother but these hoes ain't shit

See I met her at school, she was 5 foot 2 lil bitch too cute

Used to follow all the rules, she was from outta town so her parents just moved

I'm like "bet that's cool", thinkin' she might be different cause this lil bitch knew

But she had me fooled, took that bitch to the block now she fuckin' on Duke Hell nah I don't

trust her, I'm just tryna fuck her

I ain't gon' cuff her, boy these hoes ain't nun

Hell nah I don't trust her, see I'm just tryna fuck her

I don't do the cuffin', boy these hoes ain't nun

I ain't got no time for no hoes that ain't mine, I ain't lyin'

I be duckin' hoes like they one time

I ain't got no time for no hoes that ain't mine, I ain't lyin'

I be duckin' hoes like they one time
