## **Get Some**

## Chevelle

I tried an idea for no reason Keep the sun of my shoulders Crawling back to A black out Touching new life

Face down
Set the pace again

Set the pace againThe drive the idea still existing

Sat and shuddered broke the pattern

Falling inward

In and down up and out

Let it go fall away back

Call it off any day anyway

Make you feel this A Black out

Touching new life

Face down

Set the pace again

A Black out

Touching new life

Face down

Set the pace againDon't take the fall

We'd hate to see

That's entertainment

Get some

Eyes on the goal

Last one to get

Is passed over looked over

Never rehearse

They've spiked the water

It's in the blood

Get some

We've underestimated

How can I

Get some

How can I

How can I

How can I

Get some

How can I

How can I

How can I

Get some

A Black out

Touching new life
Face down

Set the pace againA Black out
Touching new life
Face down
Set the pace again
A blackout
Could this be the one
