

Kelly Price (feat. Travis Scott)

Migos

Bentley truck, yeah that's my choice of ride (skr skr)
Always keep some bitches on the side, yeah yeah
Don't stand too close, my diamonds gonna bite
I get drugs for the right price, yeah yeah (drugs)
She gon' eat this molly like it's rice (eat it up)
I'ma let that lean flow through my ice (lean lean)
Said she never had a Migo night
I'ma make her sing like Kelly Price (sing!) My ice, klondike, ride around, dope ride
Ride around, get right, get rich, good night
Good night, you know (good night)
My bitch forreal, she honest, won't tell
Popeyes, oat meals, Popeyes ain't no meals
She gon' kill (pew pew pew pew)
I go through all the cities (yeah)
I'm on a mile a minute
I go a mile a minute (skrr)
You wanna play violent, lets get it (yeah)
Take me back to the old days
Take my back to my old ways
Lifestyle, yeah the gang way
Way before they called me Sensei
Get robbed in the driveway
Bad bitches they was not here
You were probably watching Garfield
Tunnel vision, ain't nothing else
Kick door, that's on our face
I done walk in the hallway
Basketball then gunplay (prrr)
Young niggas didn't graduate
You probably think I couldn't made it (I made it)
It's all good God saved me (God)
Now I'm doin' what I wanna
Bentley truck bent the corner (skrr skrr, skrr, skrr skrr)
Niggas bite like piranhas
If I gotta put the bag on 'em, I'mma pay em all hundreds
Bentley truck, yeah that's my choice of ride (choice of ride yeah)
Always keep some bitches on the side, yeah yeah
Don't stand too close, my diamonds gonna bite (gonna bite ya)
I get drugs for the right price, yeah yeah (drugs)
She gon' eat this molly like it's rice, yeah (eat it up)
I'ma let that lean flow through my ice (lean lean)
Said she never had a Migo night

I'ma make her sing like Kelly Price (sing!)Flash, dash (Straight up!)
Treat the Bentley truck like a Jag
Got the red and blues on my ass
Got lethal narcs, lethal darts
My bitch got lethal parts, that lethal heart
My fun ain't just in color molly tan
You wanna go to heaven, grab my hand
(Grab my hand)
She gon' suck me dry until we land (yeah!)
I'ma call ol' squad like what's the plans? (it's lit!)
We been rocking, we been geeking all night (skrt skrt)
Treat my Lambo like a Fisher Price, yeah yeah
I can never let her spend the night
Woke up, cocaine all in my hair, thought it was lice, yeah yeah
(Straight up!)
Bentley truck, yeah that's my choice of ride (choice of ride yeah)
Always keep some bitches on the side, yeah yeah (yeah)
Don't stand too close, my diamonds gonna bite (gonna bite ya)
I get drugs for the right price, yeah yeah (drugs)
She gon' eat this molly like it's rice, yeah
I'ma let that lean flow through my ice
Said she never had a Migo night
I'ma make her sing like Kelly Price (sing!)No key push button auto, start my ride
Two piece chicken wing without the fries
If I pop the seal and drink it you gon' drive
If you let me in and I like, I change your life
Back it up back it up back it up alright
We go try something different just for tonight (Try)
Tear the tab and I paid the price (price)
Just take me there I might roll the dice (ah)
With a blindfold I could still whip up a pie (pie)
Never leave and go nowhere without the fire (prrr)
If you cashed out on that Bentley Truck say I (I)
Plus another car that's that's on my eyeBentley truck, yeah that's my choice of ride (choice of
ride yeah)
Always keep some bitches on the side, yeah yeah
Don't stand too close, my diamonds gonna bite (gonna bite ya)
I get drugs for the right price, yeah yeah (drugs)
She gon' eat this molly like it's rice
I'ma let that lean flow through my ice
Said she never had a Migo night
I'ma make her sing like Kelly PriceMy choice of ride (My choice of ride)
My choice of ride (My choice of ride)
Yeah yeah
She gon' eat this molly like it's rice, yeah
I'ma make her sing, sing like Kelly Price yeah (whooo)
I just can't understand her
I just can't understand her
I just can't understand her

I just can't understand her
She drive, I drive for you
I black out too
