

# Shouldn't Have Said It

Julia Michaels

Don't care what's on the TV  
Kiss on kiss, kiss me, baby  
Feels so good, oh, this feeling  
Then you turn away, say I'm being  
Insecure and way too needy  
Guess you think that you're uneasy  
Well, fuck you, I'm leaving  
I flip out on the small things  
And you flip out 'cause I'm flipping out  
And you're so scared you'll say the wrong things  
That you lay low and you shut your mouth  
And I, I get angry and I hate it when you hate me  
I get angry and I hate it  
I know I always break your heart  
Every time we end up in a mess, I just take it too far  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, mmm, but I shouldn't have said it  
See that you're guilty, too  
But you handle things so fuckin' passive aggressively  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, yeah, but I shouldn't have said it  
Wait, how am I apologizing  
For something that you started?  
Know I overreacted, and I'll apologize for that  
But I flip out on the small things  
And you flip out 'cause I'm flipping out  
And you're so scared you'll say the wrong things  
That you lay low and you shut your mouth  
It's a product of how I was raised  
And I'm so scared I'll never change  
Yeah, I'm so scared that I'll never change  
I know I always break your heart  
Every time we end up in a mess, I just take it too far  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, mmm, but I shouldn't have said it  
See that you're guilty, too  
But you handle things so fuckin' passive aggressively  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, yeah, but I shouldn't have said it  
Hey, but I shouldn't have said it,  
yeah  
But I shouldn't have said it  
But I shouldn't have said it and now I regret it  
I know I always break your heart  
Every time we end up in a mess, I just take it too far  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, mmm, but I shouldn't have said it  
See that you're guilty, too

But you handle things so fuckin' passive aggressively  
I know, I know, I know, I know I should say sorry  
In the moment, I meant it, yeah, but I shouldn't have said it
