

# Yes, Anastasia (2015 Remastered)

Tori Amos

I know what you want  
The magpies have come  
If you know me so well  
Then tell me which hand I use  
Make them go  
Make it go  
Saw her there in a restaurant  
Poppy don't go  
I know your mother is a good one  
But Poppy don't go  
I'll take you home  
Show me the things I've been missing  
Show me the ways I forgot to be speaking  
Show me the ways to get back to the garden  
Show me the ways to get around the get around  
Show me the ways to button up buttons  
That have forgotten they're buttons  
Well, we can't have that forgetting that  
Girls, girls, what have we done  
What have we done to ourselves, yes  
Driving on the vine  
Over clothes lines  
But, officer, I saw the sign  
Thought I'd been through this in nineteen nineteen  
Counting the tears of ten thousand men  
And gathered them all but my feet are slipping  
There's something we left on the windowsill  
There's something we left, yes  
We'll see how brave you are  
We'll see how fast you'll be running  
We'll see how brave you are  
Yes, Anastasia  
And all your dollies have friends  
Thought she deserved no less than she'd give  
Well, happy birthday, her blood's on my hands  
It's kind of a shame 'cause I did like that dress  
It's funny the things that you find in the rain  
The things that you find, yes  
In the mall and in the date mines  
In the knot still in her hair  
On the bus I'm on my way down, on my way down  
All the girls seem to be there  
We'll see how brave you are, oh yes  
We'll see how fast you'll be running  
We'll see how brave you are  
We'll see  
We'll see how brave you are, oh yes  
We'll see how fast you'll be running  
We'll see how brave you are  
Yes, Anastasia  
Come along now, little darling

Come along now with me  
Come along now, little darling  
We'll see how brave you are
