

# Lies (feat. Krystal Melody)

## MC Magic

Why would you lie to me?  
After all that we've been through,  
After the love I gave you,  
I just need you to trust me  
How could I trust you  
how do I move on  
When all you do is tell your lies,  
your killin me inside.  
Why would I take you back  
so many sleepless nights  
we had a good thing but you threw it all away  
They said you dont know what you got until its all gone  
I wish I never had to sit down and write this song  
But baby girl, if I coul turn back the hands of time  
if I could press rewind, live it one more time  
I wouldnt do the things i did,  
I take back what I said,  
I never break a promise  
if you take me back again.  
Everyone deserves a second chance and this is it,  
so reach inside your heart and be compassionate girl,  
did you forget the way we use to love each other,  
the way you told me that you could never love another  
damn, its like im beggin you to stay alive,  
I love you girl and I need you by my side  
You could tell your lies  
I dont really care what you feel inside  
all you ever did was make me cry  
maybe one day you'll realize  
that you had a good girl in your life  
I dont really care what you feel inside  
all you ever did was make me cry  
maybe one day you'll realize  
that you had a good girl in your life  
I know you really dont mean the things  
you said right now  
baby (c'mon girl)  
see all I need is one more chance  
to show you that I never gonna do you wrong again  
please girl c'mon  
I still remember promises of making it together  
forgive and forget  
we can still be forever  
the key to my happiness,  
my life is in your hands,  
I'll do whatever just to kiss your lips again.

Come close to me girl,  
so you can feel what im sayin  
Im serious and I cant take it,  
no more playin.  
Today is the first day of the rest of my life,  
I wanna spend every moment with you  
makin it right and  
I know that maybe this can take a long time and  
I know that its always in the back of your mind but  
I know that you deserve the stars in the sky  
so if you give me one last chance  
I'll never make your cry
