

Ha Ha Ha Ha Ha Ha!

Twiztid

Woke up on the bad side of bed again, I can't escape this phase
Everywhere I turn's another wall and the medicine got me feelin like i'm stuck in a maze

I can only find my way out by subtraction

Murder is my reaction

Look in the basement you can see what I mean

People are cut to pieces soakin in gasoline

I always knew that I was different from the start

Born with a black heart, addicted to pitch dark

I still don't understand why I'm so in love with killin

So I just sit and stare up at the ceilin

Hopin I get to take this jacket off

But not with all this crazy talk

Maybe I'll pretend to find my sanity

I'm laughin like a lunatic

I'm laughin like a lunatic

Ha Ha Ha Ha Ha Ha!

I'm laughin like a lunatic

I'm laughin like a lunatic

Ha Ha Ha Ha Ha Ha!

I'm laughin like a lunatic

I'm laughin like a lunatic

[Jamie Madrox:]

Bloody bodies in the bathtub for over two whole weeks and it smells deadly (deadly)

Pieces of their flesh fall from off the bone and float along the top of the water like confetti

People in the basement cry cause they hongry and they want to be fed

Now I'm lookin for replacements all of the others that I brought them are dyin or either dead

Standin in the parkin lot of a shopping mall with a lunatic look in my eye

Moments later drivin home and I got it in the trunk everything is gonna be alright

Why did I get so worked up to the point that I thought that I couldn't go through wit it

When every time I do it the thrill is even better than the first time that I ever did it

I'm laughin like a lunatic

I'm laughin like a lunatic

Ha Ha Ha Ha Ha Ha!

I'm laughin like a lunatic

I'm laughin like a lunatic

Ha Ha Ha Ha Ha Ha!

I'm laughin like a lunatic

I'm laughin like a lunatic

Ha Ha Ha Ha Ha Ha!
