

Between Two Points (feat. Swan)

The Glitch Mob

We've got forever
Slippin through our hands
We've got more time
To never understand Falling footsteps
Weighing heavy on me Behind darkness
Beneath candles
Whispers waltz
Around our dreams
The shortest distance
Between two points
Is the line
From me to you Feet turning black
Is this the path we must walk
No turning back
Wish i could just hear you talk Can something like this be pulled
From under our feet
Leaving our skin
And burning coals to meet Tell me now The shortest distance
Between two points
Is the line
From me to you
The shortest distance
Between two points
Is the line
From me to you
Me to you
