

Little Girls

Oingo Boingo

I, I, I love little girls
They make me feel so good
I love, little girls
They make me feel so bad When they're around
They make me feel
Like I'm the only guy in town I love, little girls
They make me feel so good They don't care about my one-way mirror
They're not frightened by my cold exterior They don't, ask me questions
They don't, want to scold me
They don't, look for answers
They just, want to hold me
Isn't this fun?
Isn't this what life's all about?
Isn't this a dream come true?
Isn't this a nightmare too? Oh, oh, oh I love little girls
They make me feel so good
I love, little girls
They make me feel so, bad When they're around
They make me feel
Like I'm the only guy in town I love, little girls
They make me feel so, good They don't care about my inclinations
They're not frightened by my revelations
Uh oh (uh oh), take a second (take a second)
Uh oh (uh oh), it's a mistake (it's a mistake)
Uh oh (uh oh), I'm in trouble (I'm in trouble)
Uh oh (uh oh), the little girl was just too little
Too little, too little, too little, too little Isn't this what life's all about?
Isn't this a dream come true?
Isn't this a nightmare too? And I don't care, what people say
And I don't care, what people think
And I don't care, how we look
Walking down the street They make me feel so--
I love, little girls They don't care about my one-way mirror
They don't care about my cold exterior They don't (they don't), ask me questions (ask me
questions)
They don't (they don't), want to scold me (want to scold me)
They don't (they don't), look for answers (look for answers)
They just (they just), want to hold me (want to hold me) Uh oh (uh oh), I'm in trouble (I'm in
trouble)
Uh oh (uh oh), the little girls was just too little
Too little, too little, too little, too little
Too little, too little, too little, too little

Isn't this what life's all about?
Isn't this a dream come true?
Isn't this a nightmare too?
Oh, oh, oh, I, I, I love little girls
They make me feel so good
I love, little girls
They make me feel so, bad
When they're around
They make me feel
Like I'm the only guy in town
I love (I love), little girls
They make me feel so good
I love
