

Your Choice (feat. Burna Boy)

Lily Allen

Not gonna lie, but this might be dying
Surprised 'cause I thought you were alright
Feels like every night we're fighting
No, please don't sigh
Yeah, it's all fine Stop crying every time I get a text
Every time my phone rings
Don't be upset, baby
I've always said that no man can own me
If you really wanna go
That's fine, bih
That's your choice, not mine
Everything is bless
Last night full of happiness
Pon the best we a kiss and caress
After the sex, you phone deh pon the side ah me a rest
And this morning, you get a text
And even though me vex
Me nah gon say nothing me nah gon stress
Me just a reason of your conscience
I got to know, oh my girl, I know Stop crying every time I get a text
Every time my phone rings
Don't be upset, baby
I've always said that no man can own me
If you really wanna go
That's fine, bih
That's your choice, not mine
Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna I'm kinda bored of this back and forth thing
Not gonna war with you, let's enjoy this time
Fuck what you saw
'Cause I'm not tryna draw for him
Boy, be nice, I'm yours all night Stop crying every time I get a text
Every time my phone rings
Don't be upset, baby
I've always said that no man can own me

If you really wanna go
That's fine, bih
That's your choice, not mine Tell them send it back
Gyal this ah the real thing? The mack
Girlfriend cotch and relax
Mek me tell you all the facts
Cah you never know say me bad
Original foundation badman
Me know say you a freak
And you need a thug inna di sheets
You know say me a thug inna di sheets
Got everything you need
You know I'm the man, I'm your man
And me nah play number two
So what, how do you want it?
You can keep rocking the boat It's like we're listening to Aaliyah
The way we go back and forth
Girl I'm not speaking no more
I know you're bad like Marilyn Monroe
I see fire in your love Stop crying every time I get a text
Every time my phone rings
Don't be upset, baby
I've always said that no man can own me
If you really wanna go
That's fine, bih
That's your choice, not mine Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna Nunna, nunna, nunna
Nunna, nunna, nunna
Nunna, nunna, nunna
