

Easy (feat. 6LACK)

Next Town Down

I like it, like it
You got a way
I like the way you drop You dropping on me
Don't ever say let's get it poppin' Baby, when you walk right into the room
Everything gon' stop
Try so hard to be cool but I know I'm not Baby, I wanna know
Baby, I wanna know
How you make it look easy
Baby, I wanna go
From your head to your toe
I'ma make it look easy
Easy, easy
Girl, what's your tempo?
I'll keep it there
Give anything you want
No competition, it ain't a race
No, we don't have to rush
Baby, when you walk right into the room
Everything gon' stop
I can't wait anymore, but I will if you want
Baby, I wanna know
Baby, I wanna know
How you make it look easy
Baby, I wanna go
From your head to your toe
I'ma make it look easy
Easy, easy
Easy, easy Baby, when you walk right into the room
Everything gon' stop
I can't wait anymore but I will if you want
