

Love Someone

Jason Mraz

Love is a funny thing
Whenever I give it, it comes back to me
And it's wonderful to be
Giving with my whole heart
As my heart receives
Your love ain't it nice tonight we've got each other
And I am right beside you
More than just a partner or a lover
I'm your friend When you love someone
Your heartbeat beats so loud
When you love someone
Your feet can't feel the ground
Shining stars all seem
To congregate around your face
When you love someone
It comes back to you And love is a funny thing
It's making my blood flow with energy
And it's like an awakened dream
As what I've been wishing for, is happening
And it's right on time ain't it nice this life, we've got each other
And I am right beside you
More than just a partner or a lover
I'm your friend When you love someone
Your heartbeat beats so loud
When you love someone
Your feet can't feel the ground
Shining stars all seem
To congregate around your face
When you love someone
When you love someone We're gonna give ourselves to love tonight
Lifting up to touch the starlight
And we will savor every second
We suspend together
You and I will
You and I will
You and I will When you love someone
Your heartbeat beats so loud
When you love someone
Your feet can't feel the ground Shining stars all seem
To congregate around your face
When you love someone

It comes back to you
