## Gramatik

You know I-I Be DJ'in at a party  
and i'm playin great beats  
and somebody come on  
could you put on uh-a hip hop record  
I say fool get away from me (ok!)I I'm playin great beats and stuff  
and y-and this is hip hop  
when I playin rap records this is hip hop  
If i play prodigies and they have the beats on there  
that is hip hop  
you know peo-we we gotta recognize and know  
what is hip hop  
and what is the culture
