

# I Can Only Be Me

[Eva Cassidy](#)

Butterflies begin from having been another  
as a child is born from being in a mothers womb  
but how many times have you wished you were some other  
someone than who you are  
yet whos to say that if all were uncovered  
you will like what you see  
you can only be you as i can only be me  
Flowers cannot bloom until it is their season  
as we would not be here unless it was our destiny  
but how many times have you wished to be in spaces  
time places than what you were  
yet whos to say with unfamiliar faces  
you could anymore be loving you that youd see  
you can only be me as i can only be me  
Oh oh oh i can only be me
