

# Fall Apart

Josh Wilson

Why in the world did I think I could  
Only get to know You when my life was good?  
When everything just falls in place  
The easiest thing is to give You praise Now it all seems upside down  
'Cause my whole world is caving in  
But I feel You now more than I did then  
How can I come to the end of me And somehow still have all I need?  
God, I want to know You more  
Maybe this is how it starts  
I find You when I fall apart Blessed are the ones who understand  
We got nothing to bring but empty hands, yeah  
Nothing to hide and nothing to prove, yeah  
Our heartbreak brings us back to You, oh  
And it all seems upside down  
'Cause my whole world is caving in  
But I feel You now more than I did then  
How can I come to the end of me And somehow still have all I need?  
God, I want to know You more  
Maybe this is how it starts  
I find You when I fall apart, yeah I don't know how long this will last  
I'm praying for the pain to pass  
But maybe this is the best thing  
That has ever happened to me My whole world is caving in  
But I feel You now more than I did then  
How can I come to the end of me  
And somehow still have all I need?  
God, I want to know You more  
Maybe this is how it starts  
I find You when  
You will find me when I fall apart  
I fall apart
