

Reckoner (James Holden Mix)

Radiohead

Reckoner

You can't take it with you
Dancing for your pleasure You are not to blame for
Bittersweet distractor
Dare not speak its name
Dedicated to all you
All human beings Because we separate
Like ripples on a blank shore
Because we separate (In rainbows)
Like ripples on a blank shore (In rainbows)

Reckoner

Take me with you
Dedicated to all you
All human beings
