## Radiohead

Reckoner

You can't take it with you  
Dancing for your pleasure You are not to blame for  
Bittersweet distractor  
Dare not speak its name  
Dedicated to all you  
All human beings Because we separate  
Like ripples on a blank shore  
Because we separate (In rainbows)  
Like ripples on a blank shore (In rainbows)

Reckoner

Take me with you  
Dedicated to all you  
All human beings
