

Hyperactive

Robert Palmer

Shes got a date for lunch in Singapore,
Holds stock in I.B.M. and hates Dior.
She puts up her make-up on at 6.00am
She goes to work, gets home then puts it on again And its a mystery how wild that girl can be;
Shes got so much energy;
Shes such an expert at surprising me.
Shes hyperactive when she starts to dance.
And shes so attracted to a wild romance,
And more effective than a stimulant -
Shes hyperactive.
Shes hyperactive when she starts to dance.
she never missed a beat or missed a chance,
And Im persuaded by her argument.
Shes hyperactive.
The other dancers hyperventilate and start to sweat.
One look at her - I know the nights not over yet.
She says Where are we going now?
Her voice is sweet and soft.
I think she lost the key that turns her motor off. And its a mystery how wild that girl can be;
Shes got so much energy;
Shes such an expert at surprising me.
Shes hyperactive when she starts to dance.
She never missed a beat or missed a chance,
And Im persuaded by her argument.
Shes hyperactive.
Shes hyperactive when she starts to dance.
And shes so attracted to a wild romance,
And more effective than a stimulant -
Shes hyperactive.
And its a mystery how wild that girl can be;
Shes got do much energy;
Shes such an expert at suprising me.
Shes hyperactive when she starts to dance.
And shes so attracted to a wild romance,
And more effective than a stimulant -
Shes hyperactive.
Shes hyperactive when she starts to dance.
she never missed a beat or missed a chance,
And Im persuaded by her argument.
Shes hyperactive. Shes hyperactive when she starts to dance.
She never missed a beat or missed a chance,
And more effective than a stimulant -

Shes hyperactive. Shes hyperactive when she starts to dance.
She never missed a beat or missed a chance,
And more effective than a stimulant -
Shes hyperactive.
