Feet on the Ground

Fono

Don't worry

Don't worry

Don't worry

Don't, Don't

Don't worry

Good bye

Stop looking

for something that just can't be found

I'm lost

We're alike

Don't worry

Feet on the ground

Feet on the ground

Who got you movin' like there's no one else to realm I see you snapin all the strings that hold you down And i wanna be the part of you that is spinning around Don't you worry, cause my feet are on the ground

Don't worry

Good bye

Stop looking

for something that just can't be found

I'm lost

We're alike

Don't worry

Feet on the ground

Feet on the ground

Got my feet on the ground

Feet on the

Got my feet on the ground

Don't you worry

Don't you worry

Don't you worry

Who got you movin' like there's no one else to realm I see you snapin all the strings that hold you down And i wanna be the part of you that is spinning around Don't you worry, cause my feet are on the ground

Feet on the ground

Got my feet on the ground

Feet...

Don't worry

Good bye

Stop looking

for something that just can't be found
I'm lost
We're alike
Feet on the ground
Don't worry
Don't worry
Feet on the ground...
Don't worry
Good bye
Stop looking
for something that just can't be found
I'm lost
We're alike
Feet on the ground
