

Seedy Films

Soft Cell

Sleazy city
Seedy films
Breathing so heavy
Next to my neighbour
Let's get acquainted
Getting to know you
Feeling sleazy
In seedy sin city
Feeling sleazy
In seedy sin city
Sleazy city
Sleepy people
Down in your alleys
Seems that anything goes
Blue films flicker
Hands of a stranger
Getting to know you
And I'm getting to like you Hey that's fine
Got no time
Meet me on Friday
Down, down, down in blue city
Got no address
Just a telephone number
Phone me tonight
And maybe we can talk dirty
Phone me tonight
And maybe we can talk dirty
Sleazy city
Sleepy people
Down in your alleys
Seems that anything goes
Blue films flicker
Hands of a stranger
Getting to know you
And I'm getting to like you Sleazy city
Seedy films
Breathing so heavy
Next to my neighbour
Let's get acquainted
Getting to know you
Feeling sleazy
In seedy sin city

Feeling sleazy
In seedy sin city Sleazy city
Sleepy people
Down in your alleys
Seems that anything goes
Blue films flicker
Hands of a stranger
Getting to know you
And I'm getting to like you Hey isn't that you on the screen
Isn't that you on the screen
(No that's not me) Getting to know you
Getting to like you
etc...
