

You're Not Alone

ATB

In a way its all
A matter of time
I will not worry for you
You be just fine
Take my thoughts with you
And when I look behind
You'll surely see a face that you recognize You're not alone
You're not alone
I'll wait till the end of time
Open your mind
Baby its time for me and you
You're not alone
I'll wait till the end of time
Open your mind
Baby its time for me and you
You're not alone
I'll wait till the end of time
Open your mind
Baby its time for me and you
You're not alone
I'll wait till the end of time
Open your mind
Surely its plain to see It is the distance
That makes life a little hard
Two minds that once were close
Now so many miles apart
I will not falter though
I hold on to your hope
Safely back where you belong
And see how our love is grown You're not alone
I'll wait till the end of time
Open your mind
Surely its plain to see
You're not alone
I'll wait till the end of time
Open your mind You're not alone
I'll wait till the end of time
Open your mind
Surely its plain to see
