

# Slippin

## Quadron

I was demanded to be oh so strong  
But truth be told I only want myself to tag along  
Follow my shadow, loaded with guilt see,  
What I didn't know was patching up only makes a quilt  
Have to much pleasure from illusions of right  
It seems I'd rather lose a friend then a fight  
But I'm not young enough to know everything  
See what I do know is my alter ego is up-coming I'm slippin  
cause I cant get me off of this throne  
I'm slippin  
It's too much of a comfort zone  
I'm slippin  
Cause I can't get me off of this throne  
(Cause I can't get me off of this throne  
It's too much of a comfort zone)  
I'm slippin  
I'm slippin  
Use persuasion as my strongest approach  
I preach my wisdom as a neat friendly poach  
Respect you don't get, it's something you owe  
If you can't do what I do it's cause you reap what you sow  
Taking my time sharing my weed  
Yeah I'm good at listening when I hear myself speak  
Once I swell attention tasted  
Enough won't do  
Every weekend I am wasted I'm slippin  
Cause I can't get me off of this throne  
I'm slippin  
It's too much of a comfort zone  
I'm slippin  
Cause I can't get me off of this throne  
(Cause I can't get me off of this throne  
It's too much of a comfort zone)  
I'm slippin  
Once I swell attention tasted  
Enough won't do  
Every weekend I am wasted  
Once I swell attention tasted  
Enough won't do  
Every weekend I am wasted  
Once I swell attention tasted  
Enough won't do

Every weekend I am wasted...
