

The Genesis

Nas

Street's disciple, my raps are trifle
I shoot slugs from my brain just like a rifle
Stampede the stage, I leave the microphone split
Play Mr. Tuffy while I'm on some Pretty Tone shit
Verbal assassin, my architect pleases
When I was 12, I went to...And you're sitting at home doing this shit
I should be earning a medal for this
Stop fuckin' around and be a man, there ain't nothin' out here for you
Oh yes, there is... ThisYo,
Nas, yo what the fuck is this bullshit on the radio son
Chill chill, that's the shit God, chill
Aiyyo yo, pull down the shade, man
Let's count this money, nigga
Ayeo Nas, put the Jacksons and the Grants over there
You know what I'm sayin'
Cause we spendin' the Jacksons
You know how we get down baby
True, trueNas, yo Nas, man shit is mad real right now in the
projects
For a nigga yo, word to mother
All them crab-ass rappers
Be comin' up to me, man word to mother man
I think we need to let them niggas know it's real man
True indeed, knamsayin', but when it's real
you doin' this
Even without a record contract, knamsayin'
No questionBeen doin this since back thenNo doubt
I'm sayin' regardless how it go down we gone keep it real
We tryin' to see many mansions and, and Coupes kid
No doubt, we gon keep it real, true,
