

# Take Away the Sun

## Dropbox

If I could take away the sun  
And steal the light from everyone  
Then you'd all be forced to see  
What the world looks like to me

I believe

You will see

I believe monsters in me

I believe

You will see

I believe

Monsters in me

The good inside completely drained

As I wake and scream your name

Distant voices sing in tune

Howling choir under moon

If I could take away the sun

And steal the light from everyone

Then you'd all be forced to see

What the world looks like to me

Take away the sun

Take away the sun

Take away the sun

Take away the sun
