

# Alter Ego

## Tame Impala

Said the voice from afar:  
Don't you know it doesn't have to be so hard?  
Waiting for everyone else around to agree  
Might take too long x2  
When it won't be so hard(it won't be so hard)  
Well it's true, yes, but you Wont't get far telling me  
That you are  
All you're meant to be  
When the one from my dream  
Is sitting right next to me  
And I don't know what to do  
Oh alter ego.  
Get them to love you While they may depending  
On your words and wealth  
The only one who's really  
Judging you is yourself.  
Nobody else.  
If I could part It wouldn't be so hard.  
Well it's true, yes, but you  
Won't get far telling me that you are  
All you're meant to be  
When the one from my dream  
Is sitting right next to me  
And I don't know what to do  
Oh alter ego.
