

Get Your Mind Right Mami (feat. Snoop Dogg)

JAY-Z & Memphis Bleek

Sup ma? You want to roll with us, y'knowwhatI'msayin'?
It's good, it's love, it's all love
Got cases of Belvedere, we gon' play truth or dare
We gon' really get to know one another
All you gotta do is put your hair down, get your mind right
You know what I mean? I'm here for you, yoRelax yourself, let your conscience be free
You now rollin' with them thugs from the ROC
Ain't no place on the planet that you'd rather be
But in the blue flame, bitch you're new to the gameCross over to the Roc, make yourself hot
The topic of discussion in every nail shop
It's a secret society, all we ask is trust
And within a week, watch your arm freeze up
Brassiere get right, A to a D cup
Weave get tight, pedicure your feet up
Ears get iced, gear get spiced
From hoodrat to superstar, there's your lifeFuck with Hova, he can take you out of your Hell
Say bye to Reebok, say hi to Chanel
Say hi to Gucci, Prada as well
Take a look in the mirror, be proud of yourselfGet your mind right mami, get your mind right
You gotta play your part when you're rollin' with the ROC
Get your mind right mami, get your mind right
You gotta know what it takes to be down with a nigga like meGet your mind right mami, get
your mind right
I need a gangsta girl, who can ride in my passenger seat
Get your mind right mami, get your mind right
And I need gangsta girls, for my gangsta family
Yo, I'm young Memphis, used to play the apprentice
Now I'm like the teacher, c'mere, let me teach ya
how to play them benches, hold this work in your dentures
How to play it cool when police come to pinch usRelax mami, let the Belvy flow
Inhale the 'dro, exhale it slow
I could teach you how to roll, teach you 'bout fly kicks
Teach you how to keep your nose up out of my shitWhen the beeper goes off, please don't reach
Like you put a ring or spend cheese on Bleek
Get your mind right, baby, goin' through mine crazy
When I'm in the shower, star 69 me crazyTrack my last call, contact my broad
With a bitch or two had physical contact in the mall
You got issues problems you need to iron out
I will, holla, for now you on time outYou gotta play your part when you're rollin' with the ROC
(C'mon little mama, c'mon)
You gotta know what it takes to be down with a nigga like me
(Get your mind right mami, get your mind right)

(C'mon little mama, c'mon)I need a gangsta girl, who can ride in my passenger seat
(Get your mind right mami, get your mind right)
(C'mon baby girl, c'mon)
And I need gangsta girls, for my gangsta family
(Get your mind right mami, get your mind right)
(C'mon little mama, c'mon)PIMPology
I played you and you paid me
Believe me when I tell you, girl I know you a freak
For fuckin' with me, that ain't all you can beJust put your mind to it you can go real far
I know times gettin' hard on the boulevard
They say, pimpin' is dead, man, pimpin' ain't dead
These hoes just scared and they blind tryin' and dyin' to be leadBut who's to lead 'em? Talk shit
to 'em and beat 'em
Get they mind right and feed 'em
Now I don't need 'em, uh, uh, but I can do that there
Put on a three piece suit and Shirley Temple my hairSo I can, feel like a player when I walk in
the place
Got yo' bitch all on my line and now she up in my face
Is this yo' bitch is that yo' bitch 'cuz if she's not she mine
She fallin' fo' a nigga and I ain't even dropped a lineGet out my limelight, bitch and get your

C'mon baby girl, c'mon, c'monYou gotta play your part when you're rollin' with the ROC
Get your mind right mami, get your mind right
You gotta know what it takes to be down with a nigga like me
Get your mind right ma, get your mind rightI need a gangsta girl, who can ride in my passenger
seat
Got to get your mind right, baby, get your mind right
And I need gangsta girls for my gangsta familyGet your mind right mami, get your mind right
