

Cellophane

[Ella Vos](#)

Didn't I do it for you?
Why don't I do it for you?
Why won't you do it for me
When all I do is for you? They wanna see us, wanna see us alone
They wanna see us, wanna see us apart
They wanna see us, wanna see us alone
They wanna see us, wanna see us apart And I just want to feel you're there
And I don't want to have to share our love
I try, but I get overwhelmed
All wrapped in cellophane, the feelings that we had
And didn't I do it for you?
Why don't I do it for you?
Why won't you do it for me
When all I do is for you?
And didn't I do it for you?
Why won't I do it for you?
Why won't you do it for me
When all I do is for you? And I just want to feel you're there
And I don't want to have to share our love
I try, but I get overwhelmed
All wrapped in cellophane, the feelings that we had
And didn't I do it for you?
Why don't I do it for you?
Why won't you do it for me
When all I do is for you?
