I gotta tell you this too, you know, I'm a short fucker, you know, like I said, I gotta, I work purely off personality. I aint got a problem with it. If I was tall I'd probably be stupid, I'm just guessing, I don't know.

But you tall fuckers got it good when it comes to walking in the bedroom, just dropping your drawers. "Oh my god what the fu-" You know. We, Us short fuckers gotta be creative. I came up with something. Put on a wig, and talk with an accent. I brought my wig with me, I'd like to share it with you:
