Hit the blocks dressed in white with some baggy girbaud's
A pocket full of stones, 3 G's and tryin' to lose these hoes
And the task coming sick 'cause it's the first of the month
Fiends on my pager like I'm tryin' to take these fools to lunch Going crazy in the getto, try to kill
me
My little homies lost life, y'all fools feel me
I pack a D 'cause I'm paranoid at night time
Brother be pullin' jack, I'm in the hood bustin' gangsta rhyme And still gotta watch my back in
the hood G
Like Spice-1 said,? Those fools living like movie?
Little kids get 'bout it, I mean my hood is rowdy
I'm try to make a dollar, 50 cent before I'm up and out it Before you jump in the game, let's get
one thing understood
If you sellin' that ice cream ya has to make sure it's good

Break fiends on boulders, I means Al soda
Duckin' the task and try to hide from the rollers And hangin' with TRU soldiers, my TRU click
we true to this
TRU 2 da G A M E fools, we ain't new to this

In the hood I got ice cream cones and if you fiends
Want a lick, nothing for free that gonna cost you 20 bones
For y'all ballers that won't wait, call
