

Love to Love (Originally by Ufo)

Redemption

Oh it's been too many times and I can't go back
Night bars, guitars, rundown motels like shacks
What it mounts up to I don't want it at all
Lost you and I want you today Misty green and blue
Love to love to love you
Misty green and blue
Love to love to love you To be something, to be near you
Don't say that you'll never know
Love to love to love you
Half the time it could seem funny
The other half is just too sad
This west bound moon's they rise and fall
Lost you and I want you today Misty green and blue
Love to love to love you
Misty green and blue
Love to love to love you
To be something, to be near you
I don't know where I'm goin' to
I've tried and I need you to stay
Yeah, yeah!
