

# Never Had Nobody Like You (feat. Zooney Deschanel)

M. Ward

Well, since time had a mind I've been lazy  
And times before that I was cruel  
And times before that I was mean, I was mad  
Honey, I ain't never had nobody like you And in times before that, well, I was crazy  
I saw the dark side of the moon  
And the stars in the sky, they never caught my eye  
'Cause I ain't never had nobody like you I ain't never had nobody like you  
Now it's just like ABC  
Life's just like 123  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah I watched my old habits die and it was painful  
Sometimes it's painful in the light of the truth  
But you kept my fast to the right, I want to thank you tonight  
Honey, I ain't never had nobody like you I ain't never had nobody like you Now it's just like ABC  
Life's just like 123  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
I trusted liars and thieves in my blindness  
Honey, I was wasting away in a room  
But now that I've been through that hell I got a story to tell  
Honey, I ain't never had nobody like you I ain't never had nobody like you
