

No Excuses

Alice In Chains

It's alright
there comes a time
got no patience to search
for peace of mind Layin' low
want to take it slow
no more hiding or
disguising truths I've sold Everyday it's something
hits me all so cold
find me sittin' by myself
no excuses, that I know It's okay
had a bad day
hands are bruised from
breaking rocks all day
Drained and blue
I bleed for you
you think it's funny, well
you're drowning in it too Everyday it's something
hits me all so cold
find me sittin' by myself
no excuses, that I know Yeah, it's fine
we'll walk down the line
leave our rain,
a cold trade for warm sunshine You my friend
I will defend
and if we change, well
I love you anyway
Everyday it's something
hits me all so cold
find me sittin' by myself
no excuses, that I know
