

Fallin' for You

R5

You like mismatched socks
with polka dots.
You like your pizza cold
I think that's hot. You like to swim at night
when the moon is full.
You think that makes you strange
I think that's cool. And you say you're scared
that I won't be there.
Baby, I swear
I'm not going anywhere. You can change your hair
five times a week.
You can change your name
get a little bit crazy.
You can dance in the rain
rockin' secondhand chic
but I live for the day
that I'm calling you baby. 'Cause I'm falling for you
for everything that you do.
Baby, I'm falling for you.
You might be crazy
but baby,
I'm falling for you. I seem predictable
vanilla plain.
And all the mannequins
they look the same. There's no one else like you
one of a kind.
And I'm a lucky guy
'cause you're all mine.
And you say, you're scared
that I won't be there.
Baby, I swear
I'm not going anywhere. You can change your hair
five times a week.
You can change your name
get a little bit crazy. You can dance in the rain
rockin' secondhand chic.
but I live for the day
that I'm calling you baby. 'Cause I'm falling for you
for everything that you do.
Baby, I'm falling for you.
You might be crazy
but baby,

I'm falling for you. Yeah
You might be crazy
but baby,
I'm falling for you. You like mismatched socks
with polka dots.
You like your pizza cold
Yeah, I'm falling for you, falling for you. You can change your hair
five times a week.
You can change your name
get a little bit crazy. You can dance in the rain
rockin secondhand chic
but I live for the day
that I'm calling you baby. 'Cause I'm falling for you
for everything that you do.
Baby, I'm falling for you.
You might be crazy
but baby,
I'm falling for you. Yeah
I'm falling
I'm falling for you Yeah
You might be crazy
but baby I'm falling for you.
