

# heavy metal (feat. Rahzel)

## Bring Me The Horizon

[Verse 1: Oli Sykes]

I woke up in a warehouse but the label had fell off  
Just minding my own meltdown  
It was then I heard the cannibals, cannibals  
They said, "Hey, kid"[Pre-Chorus: Oli Sykes & Rahzel]  
You got that something special, it's now or never  
You wanna live forever, it's now or never  
You know what we want, you should give it to us  
It's now or never, but there's no pressure (Baby)

[Chorus: Oli Sykes]

And I keep picking petals  
I'm afraid you don't love me anymore  
'Cause a kid on the 'gram in a Black Dahlia tank  
Says it ain't heavy metal  
(And that's alright, that's alright)

[Verse 2: Oli Sykes]

I tried to do a head count but I cut off all the crusts  
Said they liked it better curly (Yeah)  
Then they gut me like an animal, animal  
They said, "Hey, man"[Pre-Chorus: Oli Sykes & Rahzel]  
You had that something special, it's now or never  
Let's keep it quintessential, it's now or never  
You know what we want, why not give it to us?  
It's now or never, but there's no pressure (Baby)

[Chorus: Oli Sykes]

So I keep picking petals (I keep picking petals)  
I'm afraid you don't love me anymore (You don't love me anymore)  
'Cause a kid on the 'gram in a Black Dahlia tank  
Says it ain't heavy metal  
Yeah, I keep picking petals (I keep picking petals)  
Got my heart and my head all in the wars  
'Cause some kid from A&R in a Patagonia  
Says he don't really get it, no[Bridge: Rahzel]

\*Beatbox\*[Chorus: Oli Sykes]

So I keep picking petals  
All I wanna know, do you love me anymore?  
'Cause some kid on the 'gram said he used to be a fan  
But this shit ain't heavy metal  
(And that's alright)  
And I keep picking petals

I'm afraid you don't love me anymore (You don't love me anymore)  
'Cause a kid on the 'gram in a Black Dahlia tank

Says it ain't heavy metal  
Yeah, I keep picking petals  
I'm afraid you don't love me anymore (You don't love me anymore)  
'Cause some kid on the 'gram said he used to be a fan  
But this shit ain't heavy metal[Breakdown: Oli Sykes]  
No, it ain't heavy metal!  
No, it ain't heavy metal!
