

# Be Alone

## Paramore

So what if I don't have  
A lot to talk about?  
I shut my mouth and keep it  
Locked until it counts And what if I don't ever want  
To leave my house?  
Sit on the couch while  
All my friends are going out (Alone)  
You should be alone  
Yeah, you should be alone You should be alone with me  
We could be alone  
Yeah, we could be alone But never get too lonely I'll make the journey down the hall  
Back to my room. And kill more time, and let it rot  
Inside it's tomb, (inside it's tomb) See, I ain't one to climb  
Some social leader to.  
Some Shangri-La  
That all the cool kids will abuse  
(Alone)  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too lonely  
(We could be alone, together)  
Oh-oh-oh, oh-oh  
Oh-oh-oh, oh-oh  
I'm a loner, I'm in love  
With you alone  
Oh-oh-oh, oh-oh  
Oh-oh-oh, oh-oh-oh  
Come, be alone, and be in love  
With me alone  
Oh-oh-oh, oh-oh  
You should be alone  
Yeah, you should be alone  
You should be alone with me  
We could be alone  
Yeah, we could be alone  
But never get too lonely  
You should be alone  
Yeah, you should be alone  
You should be alone with me

We could be alone  
Yeah, we could be alone  
But never get too lonely.
