Subalashii asaga akelu
Yoakega yobikakelu
Kokorono izumiga wakidelu
Yumeno yo I feel the power of a stranger inside me
A force of magic surrounds me
This fountain within me is overflowing Peaceful and inviting
Beautiful and enticing Yoake kisetu yume kibo
Umito hikariga yondeilu
Rising sun will bless my morning with a smile
A magic pearl from the seas
Born in a willow breeze
Loyal friend my guardian angel in the sky
You've served me well all these years
Greeting with both hands trusting with no fears
Till the end Toikuino anatani miselalet
Amalinimo utsukushii yumenoyo
Itsumademo ii Aino hikali kiboto yume When everything is golden and everything is oh
Fuji no yuki, Kyoto no ame, Tokyo no yoku
And everything is ah Fire and beauty
My only living treasure on this earth (Kibo hikali yume)
Asaga hohoemikakelu

And everything and everyone is ah Yoake, kisetu, yume, kibo Yoake, kisetu, yume, kibo
