

# Vex Oh (feat. GoldLink, Ari PenSmith & Eight9FLY)

## KAYTRANADA

Me no lie, me no lie  
Got lost in her eyes  
Found something I like, yeah  
Weren't even my type  
Me no lie, me no lie  
We had drinks all night  
Put my phone on silent  
And I don't know why  
No, I couldn't leave her  
Shoulda said, "Bye, Felicia"  
Must have been the tequila  
I wish you had amnesia  
Come, come, what I did can't be undone  
Kiss her cheeks, baby, run, run  
Don't give my love to no one (No one)  
Bad bella when she get (When she get)  
You gon' try, try so you not forget (Forget)  
No, no forgiveness, oh-ah, ah  
To the left, to the left (To the left)  
Wanna take a real lie reset (Ah)  
She said, "No domino effect", oh-ah, ah And I say no vex, oh (No vex, oh)  
No vex, oh-ah  
No, baby, don't vex, oh (No vex, oh)  
No, baby, don't vex, oh-ah  
And I say no vex, oh  
No vex, oh-ah  
No, baby, don't vex, oh (No vex, oh)  
Don't vex, oh-ah  
I just wanna get behind you on the dance floor  
Then I take her back to that, back to the dance club  
Handsome, always call me handsome, then I hand grab  
Throw tantrum if you leave me, that's it  
Lord, no lie, when I ride on a beat  
I just try to supply when the beat good  
Think you don't even care about your man though  
Rap good, but I think I'm an asshole  
Fuck me good then I fuck so long  
That the moon and the sun switch position, a sinkhole  
And I roll it over, I call it a pick roll  
I'm on top, I don't mind if we switch roles

Next morning when we leave, you can switch clothes  
Pissed off, you ain't get my number when I hit you  
Real nice with the words but I'm mean with that nice stroke  
And I kinda bite though, alright, ho?Bad bella when she get (Get, get)  
You gon' try, try so you not forget (Don't forget, oh, ah)  
No, no forgiveness, oh-ah, ah  
To the left, to the left (To the left)  
Wanna take a real lie reset (Oh)  
She said, "No domino effect", oh-ah, ahAnd I say no vex, oh (No vex, oh)  
No vex, oh-ah  
No, baby, don't vex, oh (No vex, oh)  
No, baby, don't vex, oh-ah  
And I say no vex, oh (No vex, oh)  
No vex, oh-ah  
No, baby, don't vex, oh (No vex, oh)  
Don't vex, oh-ah
