

# Do You Miss Me at All (Marian Hill Remix)

## Bridgit Mendler

From this view  
I see colors  
The blacks and the blue  
Here comes another night  
Without you  
Looking over  
The trees and the roofs  
And I don't know what I would find I don't know if you're even in the city  
Dont know if you're even at home  
Don't know who you spending all your time with But do you miss me at all?  
Do you wonder what I'm up to without you?  
Do you miss me at all?  
Do you wanna leave a message on my phone saying:  
"I'm coming home"  
In this room  
You are the wallpaper  
That sticks like glue  
Into my memory  
So do you  
Think me over  
Once in a blue moon  
'Cause you always rise to me I don't know if you're even in the city  
Don't know if you're even at home  
Don't know who you spending all your time with But do you miss me at all?  
Do you wonder what I'm up to without you?  
Do you miss me at all?  
Do you wanna leave a message on my phone saying:  
"I'm coming home"  
Gone without a trace you  
Been so MIA  
Was passing through your neighborhood  
Boy you've been abrupt  
I never get enough to  
Know that you still think of me too And I don't know if you're even in the city  
Don't know if you're even at home  
Don't know who you spending all your time with  
But do you miss me at all?  
Do you wonder what I'm up to without you?  
Do you miss me at all?  
Do you wanna leave a message on my phone saying:  
"I'm coming home" Do you wonder what I'm up to without you?  
Do you miss me at all?

Do you wanna leave a message on my phone saying:  
"I'm coming home" Do you wonder what I'm up to without you?  
Do you miss me at all?  
Do you wanna leave a message on my phone saying:  
"I'm coming home"
